

### Appeal from Campus Ministry

Jason Deal, the new Campus Ministries minister, is asking for congregants to join their volunteer team. Volunteers assist with building repairs. If this is not of interest then they always need cookies to hand out to students (500 a week) or will take donations of coffee (Fair Trade preferably) for their coffeeshop where they provide study space, free coffee and cookies to students. If interested or for more information, you can contact Jason at [minister.commonground@gmail.com](mailto:minister.commonground@gmail.com).

## Mark 7:15-16

### Welcome to Christ Episcopal Church!

**Welcome!** All baptized Christians are welcome to receive communion. We have gluten-free wafers, tell an usher before the service and say "gluten free" at the rail. If you have physical limitations, tell an usher and we'll bring Communion to you. If you aren't baptized join us at the rail for a blessing in Christ's name. We have a staffed nursery from 8:00 AM until the end of the 10:30 service. There's a coloring table and activity bags at the back of church, for parents and children. Our basement and nursery are equipped with speakers to hear the service if you need to step away at any time. Please consider our hearing impaired members who sometimes struggle with ancillary noise. Our pews have children's Bibles and Prayer Books to help guide them through the service. If you prefer a more meditative or shorter worship service, please consider joining us at 8:00 a.m. Greeters, ushers and clergy can answer questions. Join us for refreshments after the service. We want to meet you & hope your worship is a blessing.
